## Online safety support for parents and carers:

**Hwb provides free up to date support, guidance and information to families about the most popular social media and gaming apps children and young people are using today.**

**The Welsh Government site includes overviews, age ratings and highlights the risks each app poses to young people and gives detailed instructions on how to enable parental controls and safety settings.**

**Click on the link to access the site:**

## Community Expertise

We would like to collate a register of expertise from within our immediate community. All knowledge and skills that could support our curriculum offer and enhance the knowledge and skills of the world of work for our pupils would be appreciated. If you or if you know anybody who has expertise who would be prepared to attend school and share, please inform the school office.

## School Website

Our school website is updated regularly and has an abundance of information relating to topic work, ALN, parent workshop, menu options and general information about school. We would urge all parents to use this resource.

## Virtual Learning Environments

Please maximise use of our virtual learning environments at home, we subscribe to NESSY, Sum Dog, Bug Club Reading, Spelling Shed, Purple Mash. Password placemats are in pupil learning logs.

**Thank you for your support , Mrs Fowler.**
