Online safety support for parents and carers:

Hwb provides free up to date support, guidance and information to families about the most popular social media and gaming apps children and young people are using today. The Welsh Government site includes overviews, age ratings and highlights the risks each app poses to young people and gives detailed instructions on how to enable parental controls and safety settings.

Home-School Partnerships

Many thanks to all those who attended our Curriculum for Wales showcase events and parent teacher consultations at the end of Spring term. Nearly every child was represented and we are delighted with all responses and feedback received. We will continue to provide as many opportunities as possible for parents and carers to share an insight into their child's learning. Our topic journals remain a huge success and all pupils are very proud to talk about their learning journey at Glanhowy.

NACE Challenge Cymru Re-Accreditation-March 20th 2024

We were delighted to receive our second NACE Challenge Cymru award. NACE assesses our school provision for more able pupils. We are the only school in BG to achieve re-accreditation and only 29 schools in Wales have received this recognition.

School Improvement Partner 'Reading' Review -March 21st 2024

An intensive 'Reading' review has been completed externally and was exceptionally positive. Our School Improvement Partner informed staff and governor's how impressed she was with the systems and processes at Glanhowy to ensure all pupils become passionate and competent readers. Accelerator Reading and Bug club reading is a huge success.

Governing Body Representatives

If you are able to support our school as part of our Governing Body, we have one LA vacancy at present. Also, in September, we will have two parent vacancies. Please contact the school office if interested.

Thank you for your continued support ,

Mrs Phillips.
