Online safety support for parents and carers:

Hwb provides free up to date support, guidance and information to families about the most popular social media and gaming apps children and young people are using today. The Welsh Government site includes overviews, age ratings and highlights the risks each app poses to young people and gives detailed instructions on how to enable parental controls and safety settings.

Welcome back!

We have had an exceptionally positive first week back in school. All pupils are looking very smart in their school uniform, this really does impact on attitudes to learning. Attendance has also been very positive, thank you very much for your support.

School Office Capacity

Due to underfunding of school budgets, we have had to make some regrettable reductions to our school staffing structure this year. This has impacted on our school office as well as in classes. In order to assist us in this capacity adjustment, please only contact the school office when essential. The school website has an abundance of information that could help with a query. Messages can also be conveyed to class teachers on the door each day. Please can pupils who do not attend breakfast club arrive by 8.50am each day, it is difficult to assist late arrivals with only one member of staff available during the busy morning period.

Reading Books/P.E. Kit

Class teachers are in the process of conveying reading days and P.E. days, please ensure your child is appropriately equipped for the day ahead and encourage your child to develop independent skills at home which will support their learning in school.

Thank you for your continued support ,
