Online safety support for parents and carers:

Hwb provides free up to date support, guidance and information to families about the most popular social media and gaming apps children and young people are using today. The Welsh Government site includes overviews, age ratings and highlights the risks each app poses to young people and gives detailed instructions on how to enable parental controls and safety settings.

Harvest

Our Harvest Service will be led by Reverend Matt Davis on Monday 14th October. Any donations of tins or dried food that are still in date would be gratefully received and shared with our local food bank. These items will support the community in which we live and serve, thank you for your kind generosity in advance.

School Site Security

Due to an increase of trespasser's on school site after hours, the CCTV system has been upgraded and anti-vandal paint covers the perimeter walls and railings, this is black and does not wash off clothing. Please report any sighting of youths on school grounds after hours to the police so that we can maintain the school grounds for our pupils only.

Eco Schools

We are very proud that our school has earned 3 Green Eco-Flags to date. This year we will be applying for the Eco Platinum Lifetime Award which celebrates 9 years of Eco School commitment and validates pupil and staff efforts to look after and sustain our school environment. This is a prestigious, nationally recognised achievement.

Thank you for your continued support,

Mrs Phillips.
