Online safety support for parents and carers:

Hwb provides free up to date support, guidance and information to families about the most popular social media and gaming apps children and young people are using today. The Welsh Government site includes overviews, age ratings and highlights the risks each app poses to young people and gives detailed instructions on how to enable parental controls and safety settings.

Attendance and Lateness

Thank you to all who make every effort to ensure your child attends school every day and on time. Attendance is a national, local and school priority this year. Please ensure your child attends school everyday and on time where possible. All absences must be reported to the school office and lateness is monitored by the EWO. Excellent attendance maximises learning opportunities and life chances. Rights Respecting Schools Article 28 'a child's right to an education' and Article 29 'a child's right to be the best they can be'.
